

Joshua Nations Training by Jason Holland

Joshua Nations was privileged to host Dr. Clint May and Charlie Morgan for a power-packed two-day training. Through this training, not only were we challenged personally, but we now have the tools and vision to reach the whole family. We are excited to take L.I.T. training around the world and see true transformation take place. We will win our children and win the nations for the sake of the Gospel. (Joshua Nations is in 60 countries around the world. They have 7,500 schools worldwide with more than 170,000 students where they train and equip leaders for ministry. They have graduated 40,000+ students from their schools.)

L.I.T. Ministries Zambia

Our influence in Zambia is spreading very rapidly. We had a successful Empowering The Next Generation conference in Katima Sesheke, Zambia. We trained 126 pastors and other church leaders. Through the leadership of Isaac Mphande, we have now trained at least 165 leaders there. They are quickly taking what they are learning and beginning to disciple children to raise up a generation of missionaries there.

L.I.T. (Leaders In Training) in Western Province of Zambia

Foundation of Life Church of the Western Province of Zambia is raising leaders in their midst. They attended the Empowering The Next Generation training and have taken the training to heart there. L.I.T.s are taking leadership roles in their children's ministry.

Isaac distributed 1,000 devotional books for children in **Sioma, Zimbabwe**.

ETNG Training at Lusaka, Zambia

We praise the Lord for opening a second Empowering The Next Generation conference in Balastone Park Lusaka, Zambia West, and we trained 40 children's ministry leaders.

LOAM Ministries India

We are excited to partner with LOAM Ministries India. They will be training 30 pastors on August 19-20 in Talada, Odisha, India. I will be leading part of the training on the 19th through Zoom.us.

Empowering The Next Generation Training U.S.

We just completed training at Lakeshore Baptist Church in Hudson Oaks, Texas. Would you please pray for the Lord to open up more doors for training in the United States? Children here need to be reached and discipled so they can find God's purpose for their lives.

PAY IT FORWARD

In March of this year, the Lord made it clear for us to freely give away L.I.T. resources to the church internationally. Since that date, He has opened so many doors that we can't even track it. When we took this step of faith, we gave up one-third of our income as a ministry. It was a massive step of faith, and God has blessed us exponentially. Would you join us as a Monthly Ministry Partner or give to PAY IT FORWARD for those who do not have funds for materials?

Blessings, Dr. Clint May, President, L.I.T. Ministries
