

# EMPOWERING *The Next* GENERATION

- Making Disciples Who Make Disciples

## WHAT IF...

### ...your kids became apprentices of Jesus?

Every church has a program to disciple kids, but most only teach facts and information. L.I.T. (Leaders In Training) teaches surrender, prayer, and serving from day one.

### ...you could solve your volunteer needs?

Children are the Church of today. They have the power, the gifts, the time, and the will to volunteer in almost every role in the church. Teach them to serve and then watch amazing things happen!

### ...you could keep the next generation in the church after High School?

### ...your kids could reach your city with the Gospel?

After a year of training, your kids will be ready to take the Gospel to your neighborhoods. We have seen thousands of people led to Jesus. This can happen in your city, too.

You can see your children become leaders who make disciples in your city now and for the rest of their lives! Empower the Next Generation to Make Disciples Who Make Disciples.

# EMPOWERING *The Next* GENERATION

- Making Disciples Who Make Disciples

Have you noticed that kids are different today? They have a deep hunger in their hearts to serve the Lord. They want to be a part of something significant. They want to make a difference.

That hunger comes from the presence of God welling up in their hearts. Kids do not receive a “baby” Holy Spirit at new birth—it is “the” Holy Spirit.

Are you ready to move from the old practices of just having children sit and listen to the practice of discipling, equipping, and releasing children to minister and be missionaries today?

Join us for an incredible conference focused solely on this purpose. L.I.T. Ministries believes every child is uniquely created for God’s purposes and has a calling today to fulfill His plan for their lives.

For more than 20 years, our passion has been to train leaders to disciple and equip children and students for ministry and missions.

Are you ready to step out of the norm into a new norm where kids embrace God’s purpose and plan for their lives today?

“The Lord called me to attend an L.I.T. training conference in Texas and answered all of those prayer burdens with one solution. Beginning this model at our church would give us the tools we needed to equip parents, make disciples, and then obey the Great Commission.

We saw the power of God move in and through the kids and youth as they surrendered fully to Him and walked in obedience to His Word!”
