EMPOWERING *The Next* GENERATION

- Making Disciples Who Make Disciples

Have you noticed that kids are different today? They have a deep hunger in their hearts to serve the Lord. They want to be a part of something significant. They want to make a difference.

That hunger comes from the presence of God welling up in their hearts. Kids do not receive a baby's Holy Spirit at new birth-it is the Holy Spirit.

Are you ready to move from the old practices of children sitting and listening to the practice of discipling, equipping, and releasing children to minister and be missionaries today?

Join us for an incredible conference focused solely on this purpose. L.I.T. Ministries believes every child is uniquely created for God's purposes and has a calling today to fulfill His plan for their lives.

For over 20 years, our passion has been to equip leaders to disciple and equip children and students for ministry and missions.

Are you ready to step out of the norm to a new norm where kids embrace God's purpose and plan for their lives today?

"The Lord called me to attend an L.I.T. training conference in Texas and answered all of those prayer burdens with one solution. Beginning this model at our church would give us the tools we needed to equip parents, make disciples, and then obey the Great Commission.

We saw the power of God move in and through the kids and youth as they surrendered fully to Him and walked in obedience to His Word!"

DeAnn Noyes, Littleton, Colorado
