L.I.T. MINISTRIES
Empowering The Next Generation

KIDS ARE THE CHURCH TODAY!

Every church in America and worldwide has a whole generation ready and willing to move out and reach the world with the Good News of Christ. Children are eager, ready, and willing to serve now.

When children trust Christ as their Savior and Lord, at that moment, the Holy Spirit comes into their lives and gives them everything a student and adult believer receives at the new birth.

It's true! They are born again, sealed by the Holy Spirit, and gifted by the Holy Spirit. They are His ambassadors in the lost world. This God-given identity invites them to participate in God's more excellent plan for their lives today. He has gifted and called them to serve in His church now.

Seventy percent of those who trust Christ worldwide are children between the ages of 4 and 14. Amazingly, children are the most effective agents in reaching their generation. Children are called to be missionaries for Christ now! They have a calling to go, and the church has a calling to equip them to make disciples who make disciples.

Join us for our Empowering Kids Training event. Together, we can empower children and students to fulfill their full potential in today's church and world. We will help you assess your current ministry as a church family and show you ways to disciple, equip, and mobilize children and students to be what the Lord has called them to be today. All pastoral leadership are encouraged to attend.

October 12, from 8:30 a.m.-11:30 a.m.,
Location: Church Inside Out, 2821 40th St., Tulsa, Oklahoma

About Our Speaker:

Dr. Clint May is the founder and president of L.I.T. (Leaders in Training) Ministries. Clint has served in the children's ministry for over 35 years. He has written and authored countless resources focusing on the discipleship of children and students. Clint's Empowering The Next Generation training handbook has been used to train thousands of church leaders worldwide. Clint has led 40 mission preteen trips with over 4,000 preteens (9, 10, and 11-year-olds), students, and adults. Preteens were trained and released on these trips to share the Gospel while student and adults supported their efforts. As a result, over 1,500 trusted Christ as their personal Savior and Lord. Clint has been married to his best friend Vicki for over 47 years, and they have six children and eighteen grandchildren.
