

Making Disciples Who Make Disciples

Since 2015 when we felt the Lord tell us to give away our curriculum to our overseas brothers and sisters, L.I.T. exploded into 18 more countries! It has truly become an international ministry.

And with this growth, we are needing more funding and more staff. We pray to increase our monthly contributions by \$7,400 (\$100,800/year). We have raised 14% of this goal already.

Would you pray and consider becoming a monthly donor for L.I.T. to continue to grow and help make young disciples who are making disciples across the globe? Let's reach the children together!

In Christ,
Dr. Clint May
President L.I.T. Ministries

WE INVITE YOU TO PARTNER WITH US!

Please take a moment to pray about how you might be involved with L.I.T. We have been tremendously effective and blessed because of individuals like yourself who choose to invest in the lives of kids worldwide.

Our goal is to equip leaders to reach, disciple, and empower kids to fulfill God's call to serve, minister, and be missionaries of the Gospel.

L.I.T. MINISTRIES

*Empowering The Next Generation
to Make Disciples Who Make Disciples*

L.I.T. Burkina Faso, Africa

We cannot tell you how providential this training was. God connected us with this new system of discipleship for kids. It was all God. And we saw that this was just the thing to take our children's pastors to the next level.

God loves the children of Burkina so much that He is setting them up to be activated in their faith, and used by the Holy Spirit to be disciples that make disciples! —Heidi Hayslip, Missionary Burkina Faso

We Have Never Heard Teaching Like This Before

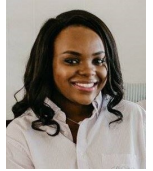

"The pastors are very glad to receive wonderful teaching from you. All of them said that this was our first time to hear such teaching.

Many agreed with you that we ignore the children in the ministry in our churches. Thank you for opening their eyes to see how valuable they are and how useful they can be." — Santosh Bardhan, LOAM Ministries, Odisha, India

L.I.T. Shaped My Life Tremendously

It is said that leadership is caught, not taught. I am grateful that at a young age, I was not just told that I am a leader, but I was actually given leadership positions through L.I.T.

By way of serving, I learned how to lead on my knees while giving God all the glory.—Ketnarly Estimon Patterson (L.I.T. 2005-2005)

Our Church Has Been Transformed by L.I.T.

After four years implementing L.I.T. in our church, we now have a house full of Jesus lovers excited to worship Him during our L.I.T. training time on Sunday nights.

We have seen an abundant and steady transformation in our kids, youth, and adults. The Lord is bearing fruit in them that we never saw before when they were all coming to church instead of being the Church. —DeAnn Noyes, Horizon Christian Fellowship, Littleton, Colorado

I Have Many Students Living a Life of Obedience to Christ

I have many students living a life of obedience to Christ as young adults: I have several former L.I.T.s in ministry, many who are now serving in kidmin at their churches, and most are following God, marrying, having children and raising their children in the church. Several are going into missions long term. —Russel Zacek, Next Gen Pastor, Church Alive, North Carolina
