

L.I.T. MINISTRIES

CELEBRATING 20 YEARS

In the summer of 2002, the Lord birthed a fresh vision for children called L.I.T. (Leaders In Training). In a matter of 20 years, L.I.T. has grown to impact thousands of children around the world. We are in awe at God's amazing plan to reach, disciple, and empower children to be the church NOW. The Lord is raising up a generation of disciples in our midst. What we have learned from 30+ mission trips is that when we train children to be missionaries and take them out on mission, they experience Acts 1:8. They don't fully grasp how God works, but the Holy Spirit takes over in their times of fear and speaks boldly the name of Christ through them.

First L.I.T. group from Wedgwood Baptist Church, 2002.

In the last two years, L.I.T. has expanded our reach globally. We have now trained thousands of leaders internationally and are seeing churches around the world reaching and discipling children and releasing them as missionaries with the Good News of Christ. Please join us as we celebrate an incredible 20 years of watching God work in and through the lives of children. I have included a few highlights of what the Lord has done.

Please prayerfully consider becoming a Ministry Partner. Through your gifts, we are able to continue the work the Lord began in the summer of 2002. You will be blessed to be a part of what God is doing in the U.S. and internationally.

Blessings, Dr. Clint May, President, L.I.T. Ministries

OVER 30 L.I.T. MISSION TRIPS

L.I.T. has sponsored 31 mission trips in five states. More than 3,500 preteens, students, and leaders from 40 churches have participated in these outreaches. **L.I.T.s have led about 1,400 people to Christ.** The kids have ministered to at least 5,000 people in many diverse communities.

L.I.T. Shaped My Spiritual Life Tremendously!

I am grateful that at a young age, I was not just told that I am a leader, but I was actually given leadership positions through L.I.T. By way of serving, I learned how to lead on my knees while giving God all the glory. This has not been lost on me in my adult life. I have gone on to serve in college ministry, mission trips, and even in my job as a nurse. It is no small thing to give the gift of the Gospel to a child and tell them to share it with the world. I am forever grateful that L.I.T. gave me such a gift. May God be glorified!! —*Ketnarly Estimon*

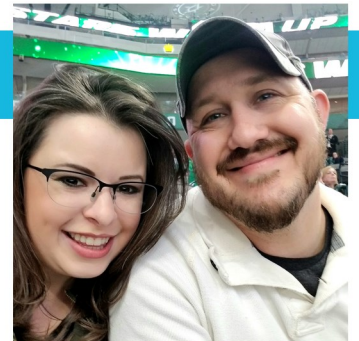

L.I.T. Played a Significant Role in My Spiritual Life

Two things specifically that are a part of L.I.T. that have played significant roles in my spiritual formation are forming spiritual disciplines and using spiritual gifts in the local church. As a young believer, I was given a weekly Scripture verse to memorize and a daily passage to read. These things might seem minor or even insignificant to some people, but to a young Christian, this was precisely what I needed to grow in my faith and knowledge of God's Word! A second thing that L.I.T. encouraged and has shaped me is using my spiritual gifts in the local church. Because of L.I.T., I learned that God had given me a gift, and I have a responsibility to use that gift to further the kingdom of God. —*Joel Hayworth, Senior Pastor, First Baptist Church Salem*

The Ministry's Impact is Woven Into the Very Tapestry of My Life

L.I.T. is more than just a single chapter of my story; the ministry's impact is woven into the very tapestry of my entire life. The tagline of the ministry "empowering the next generation" is more than just a saying; it is a lifestyle, intertwined into the very DNA of all that is involved in the program. The founders believe and implement the truth that there is no such thing as a "junior" Holy Spirit, and because of that call-to-action and their passion for His kingdom to come to Earth, my life has forever been changed. —*Madison Lowrie*
