OUR MISSION AND PURPOSE

Mission: Our mission is “To Empower The Next Generation.”

Vision: We recognize the uniqueness of every child. We are committed to reach them with the Gospel of Jesus Christ and to disciple, equip, and release them for ministry in the church and as missionaries in the world.

FAMILY: L.I.T. Ministries provides tools to train parents properly. These tools help them prioritize their child’s spiritual life as number one in their home.

DISCIPLESHIP: Through L.I.T. small group materials, the disciple group leader models the Christian faith by joining children on their spiritual journey. The leader moves from teacher to mentor and equiper of children in their group.

MINISTRY: Every believing child has a calling to minister using their spiritual gifts today. L.I.T. provides training that helps the local church be creative in involving children in ministry.

MISSIONS: The Great Commission applies to all believers in the body of Christ, including children. L.I.T. provides the tools and training to equip children to become missionaries in their homes, neighborhoods, and schools.

INTRODUCTION: A CALL FOR PARENTS

As parents, we face many choices with regards to our families. However, the most important choice you will make is what *you* will do with God and your relationship with Him. As a Christian parent, you need to understand your responsibility to teach and disciple your child in their walk with Christ.

Your church family wants to join you on your journey and help you obtain your greatest success as parents. You are not called to walk alone! The local church has a calling: to make disciples and equip them for ministry. This includes younger saints (children who have accepted Christ as Savior and Lord). The church provides positive mentors as well as training and a place of service for your child. It is very difficult for families to create ministry opportunities for their children, but when you partner with your church, they can offer resources and ministry opportunities to develop your child into a fully prepared and devoted follower of Christ.

Through Nehemiah Kids (N.K.) and Leaders In Training (L.I.T.), we want to help you in your journey of faith with your child.

In Him,
